

'Spiritual Life in the High-Tech Virtual World'

Emmaus House

Cordially invites you to

An evening with Ishpriya

Thursday 14th March 2012 7.30 pm to 9.00 pm

Donation to cover Speaker, tea & Coffee...

After last year's successful evening with Sr. Ishpriya, we are holding another in 2012. Sr. Ishpriya's call to us to read the Signs of the Times is ever old and ever new but today's need is even more poignant and relevant for the spiritual path that each of us is invited to embark upon. Her focus on meditation, awareness and mindfulness and her stress on a daily spiritual practice as fundamental to our growth is so much the search for people today.

'In our age of Webs and Networks and the failure of religious authorities , the Hi-tech prophets are offering new answers to the perennial questions of humanity. Do you think they are correct ?

Come and join us for an intriguing and challenging evening and do bring a friend with you.
